Wayground MCQ

The screenshot shows the 'Wayground MCQ' interface. At the top, it displays the quiz title 'SIMATS_CO2_AT2_part3 Dr. Vincent Gnanaraj'. Below the title, there's a section for 'Keep the Winning Streak Alive, PONMUDI!' with a score of 22260 and a coin reward of +1000. There are buttons for 'Play Again', 'Find New Quiz', and 'Shop'. A progress bar indicates 100% accuracy. The 'Performance Stats' section shows 20 correct answers, 0 incorrect answers, 11 seconds per question, and a 20-streak. The 'Review Questions' section contains a question: '1. What is the goal of Attack Surface Analysis?' with two options: 'Reduce exposed attack points' and 'Increase application'. On the right side, there's a 'SUMMER DROP' banner with a 'Shop now' button and a 'Play mini games' section with a 'Play now' button.
